## *mORE NEWS...*

**VOLUNTEERS NEEDED:** The 6th South Islington Brownies (Girl guides who are aged 7-10) are seeking adult volunteers to help out with our weekly meetings. We meet on Wednesday evenings during term time, at Christ Church, Highbury. We generally have fun, learn things along the way and earn/award badges. While it is a girl-only space for the participants, volunteers of any gender are welcome. No prior experience with youth groups required, and training provided which can go on to more leadership opportunities and qualifications. For more information please contact Jenny on [6si.Brownies@outlook.com](mailto:6si.Brownies@outlook.com), call 07786593663 or check out <https://www.girlguiding.org.uk/get-involved/become-a-volunteer/>

**CHRIST CHURCH Highbury Church and Community Centre Vision:** Christ Church Highbury has been a place of worship and a centre for the local community to meet for over 170 years. If the congregation had not been bold then, we would not have the potential to run activities that enrich both church and community like the Playgroup, Night Shelter, Children's and Youth activities, Junior Church and Memory café to name just a few. Now we are called to be bold and ambitious again as we think of the next 50 years in the life of our church and community. We long to see Christ Church continue to be a place where people of all ages and backgrounds can come to faith in Jesus Christ and grow spiritually. The Church and Community Centre will make a huge difference to our ability to do this. As well as offering a brilliant space for our work with children and young people, and a really accessible, public-facing church office, it will enrich what we can offer to the community and our charity partners. The additional space will enable us to reach more groups in Highbury, and allow us to imagine and develop new ministries. It will enable us to respond even more fully to our basic call to put both 'roots down and branches out. Trusting in God's gracious provision, I am excited about the future possibilities as the Centre is built. Andy.
